

Historical Romance: Viking Bonding (Historical Romance) (New Adult Comedy Romance Short Stories)

In the Viking time, when a man took a woman and bonded himself to any woman he choose regardless of what a woman wanted, a young woman in love finds that she wants to be different. Petra Leifdottir knows all about the bonding and what happens afterwards and it scares her more than just a little. Why should the man be the only one who gets something from the bonding? Why cant the woman enjoy life too? The village of Rognakson lies near the ocean making it a perfect place to send long boats on raids. These raids are the lifeblood of the village. But the raids take a toll on the hearts and minds of the women who must stay behind and hope that their husbands, sons, and fathers return. To die in battle is the greatest honor a warrior can obtain, but knowing that he sits in the halls of Valhalla is of very little consolation to a grieving wife, daughter, or mother.

This is where we find Petra- standing on the beach among the other women of Rognakson and waiting for someone she loves to come home. Her father is dead. She has no brothers. The man she waits for is Magnus Skulason, the man she hopes to be bonded to this very day. Will he return and if he does will there be a wedding? Warning! This ebook contains explicit scenes of passion and desire.For adult eyes only!!
