

# Surviving the Alpha : Part I: (A Paranormal College Shifter Werewolves Action Adventure Romance)

An Exciting Trip Twenty years old and ready for adventure, Kayla is traveling to England with a group of classmates. With her best friend at her side and a whole new country to conquer, this new adult is buzzing with excitement. But it seems fate has other plans by sending her plane crashing onto a deserted land of snow and forest. A Dark Passenger Last seen in Conquest of the Alpha by Jessica Caspian, catspaw Jagger is on the run after the destruction of his former master Lucas. His luck has always been bad- and being in a plane crash is pretty awful- but Jagger has a way of thriving in times of trouble. Rise Of A Hero Now its time for Sonny to step up and take action. A typical nerd by nature, no one would have expected this young man to possess the skills they need to survive. But as he takes on the role of alpha male in the group, he seems to be the only one capable of keeping them alive. That is, until the survivors start to disappear. Please purchase this 10,250 word story to find out what happens, Surviving the Alpha Part I by Jessica Caspian is written explicitly for the mature. \*Bonus material from Pyramid Moon Publishing

Paranormal Romance is distinct from the Paranormal Fantasy genre, though werewolves, and both strongly feature a romantic plot as a major part of the . action focused, while romance is the central feature of the Alpha and Omega novels. pathetic psychic beings, determined humans and elemental shape shifters. 7 Results Jessica works part-time as a rad tech in a hospital.
