

Destroying Beauty (Hell Hounds Motorcycle Club): Vegas Titans Series

Jo Im only 25 years old, too young to have already been married and divorced hard to believe its been a year since my piece of shit ex-husband left me, my soul broken, my bank account empty at least his familys lawyers let me keep my beat up old Corolla. Just when it seems like my life cant get any worse, and my heart cant possibly take another ounce of pain, fate comes crashing down on my head. The last thing I need is to get involved with another dangerous man The wrong place at the wrong time is an understatement. I just witnessed two men get shot in the face for no reason and I cant go to the cops because theyre in on it. Ive never been more scared in my life, I have no money to run away, no family that can help. Im the sole witness to a double murder, and Im all alone except for him Holt One of my psycho brothers just executed a member of a rival MC and an innocent shopkeep in plain sight, and didnt even bother to check the place for witnesses. At least he was smart enough to grab the security tapes, problem is there was a smokin hot little thing huddled at the end of the aisle, and Im sure she saw everything. This girl may be the most beautiful woman Ive ever laid eyes on, and her bodyfuck me. But theres one problem, she can bury me and my club, and I cant let that happen. Women are a dime a dozen, and Ill never let a good lay get between me and everything that I live for. So Ill do what I do best make her beg for it, make her need it And then Ill put a bullet between her eyes. This Contemporary Romance Novel contains adult themes, violence, and sexual content. Fifth Book in the Vegas Titans Biker Romance Series.
