

A Diamond Deal with the Greek (Harlequin Presents)

If you want to keep out of jail, you'll pretend to be my fiancée! Arabella Rebel Daniels would rather skydive naked than agree to Draco Angelis's outrageous suggestion. But, unbeknownst to Rebel, her father embezzled money from the formidable magnate and now she must pay back the debt by whatever method Draco demands. Arabella may take risks for a living as a champion skier, but the cold weight of Draco's diamond ring and the branding heat of his public attentions feel like too high a price to pay especially when the prospect of sharing Draco's bed draws inevitably closer.
