

A Season to Love: Love in Lenox, Book 2

At this point in her life, bravery is not a trait Willa Hart would readily claim. She believes her seven-year-old daughter, Savannah, who never knew her father and successfully tackled chemotherapy, is truly the courageous one. Yet after Willa has a fateful encounter with handsome young doctor Patrick McCade, her outlook - and her view of herself - begins to change. Patrick, a thrill-seeking world traveler and temporary resident of Lenox, Oregon, sets out to show Willa the value of adventure, even within her tiny town. But just when their friendship shows signs of turning into something more, Patrick's life as a traveling doctor calls him back. Will his last days in town signal the end of their journey, or will Patrick and Willa find the courage to transform a single season into a lifetime?
