

Family (Men of Steel) (Volume 8)

An overwhelming, PLEASE GIVE US MORE STEEL! is being answered with a big old, HELL YEAH! If you've read the box set including, Jase, Jase and Carly, Cyrus, Zandor, Xavier, and Forever Steel, you'll be happy to see their stories continue.

This quick, yet satisfying little read, will tame your craving for the Steel brothers you met at their family's tattoo shop, Forever Steel, in April, 2013. Last we left off, Jase and Carly had brought their child into the world. But wait, Cyrus and Tara are expecting twins. And Xavier and Taelyn are expecting too. Nothings ever easy for the Steel brothers, but these men aren't just hot as sin, they're deep, loyal as hell, and in love with the women they will fight to protect and satisfy for the rest of their lives. Could love, marriage, and children be the end to the hot, steamy, and explosive sex for the four hottest, pierced, inked, bad boy brothers on the Jersey Shore? In this novella, we get a taste, not a tease, of all four of your favorite, fully fleshed out Men of Steel style. It's still hard and wild. It's still one hell of a ride. It's still, Forever Steel, baby.
