

Silken Rapture (Princes of the Underground)

From New York Times and USA Today bestselling author Beth Kery: He is her captor. She is his soul...Princes of the Underground, Book 2 When Blaise Sevliss, Lord Delraven, rescues a young woman from the clutches of his vampiritic clone the sheer amount of soul energy blazing from her unconscious body stuns him...and awakens a primal, parasitic hunger he has fought for centuries to quell. Determined to keep her safe from the ravenous Scourge horde, Blaise must hide her in his underground stronghold. Where the powerful urge to consume her gnaws at the last shreds of his control. With a touch, Isabel Lanscourt can divine the darkest of secrets. Her ability is little help, though, when she awakens in a lush world where sensuality rules. Her shining spirit is a beacon to all the powerful immortals in Sanctuary, but only one can touch her. The enigmatic Lord Delraven, whose brusque coldness is belied by the heated need in his eyes. In a dangerous zone between temptation and memory, desire ignites an explosion of luminescent beauty. And Isabel's healing touch begins to fill his emptiness with an impossible gift: a soul. But Blaise holds a dangerous secret, one that could extinguish Isabel's inner light. And cast his lonely world into eternal darkness. Warning: Step into a sensual world of vampires who love to feed and love to...er...feast, where sexual variety is the spice of their lives. No sweetness and light here, this is one vampire who can put the B into bad guy without batting an eye.

He is her captor. She is his soul Princes of the Underground, Book 2. When Blaise Sevliss, Lord Delraven, rescues a young woman from the Full english version chapter 33.
