

The Viking and the Courtesan

In 898 AD she wasn't just from another land. Wrecking a marriage is generally no problem for the divorce-obtaining Lady Malice Mallender. But she faces a dilemma when she's asked to ruin her own. Just how businesslike should she remain when the marriage was never consummated and kissing her husband leads to Sin—a handsome Viking who wants her for a bed slave in name only? She came from another time. Viking raider Sin Gudrunsson wants one thing. To marry his childhood sweetheart. Only she's left him before, so he needs to keep her on her toes, and a bed slave, in name only, seems just the thing. Until he meets Malice. One kiss is all it takes to flash between two times. But when one kiss is no longer enough, which will it be? Regency London? Or Viking Norway? Will Malice learn what governs the flashes? Can Sin? Where worlds collide, can love melt the iciest heart?

So anyway, in the middle of total chaos I subbed my fourth book, *The Viking and The Courtesan*. Then I got antsy. Hey, I'm a writer, am I? Malice Mallender, the heroine of *The Viking and the Courtesan*, is not nearly as malicious as her name suggests. She is just trying to survive in the harsh world.
