

Anastasia: Whatever It Takes (Vol. 4) (Volume 4)

Volume 4 of the Anastasia Series! With only two months left on her internship at Edgeworth, Epstein, and Kendrick Investments, Anastasia really needs to parlay her knowledge, expertise and abilities into a long-term position at the company. So, when the opportunity presents itself to help reel in billionaire CEO Parker Willis as a new client, Anastasia jumps at the chance. This could be the break that guarantees she'll join the permanent ranks of E, E, and K employees.

Willis is arrogant, cocky, and not all that interested in making an investment, but he is interested in making Anastasia his plaything. The wealthy businessman proposes a bargain: be his sexual slave, and hell sign on the dotted line. With her dream job almost within reach, is Anastasia willing to do whatever it takes to seal the deal? Warning: This 18,000 word novelette contains hot and spicy action. Read at your own risk (or delight)! Also look for Anastasia (Vol. 1), and Anastasia: No Strings Attached (Vol. 2), and Anastasia: Executive Perks (Vol. 3), now available on Amazon!
