

## Ashers Mark (New Adult Contemporary Romance) (Resolution Book 1)

Grace Ballard has been in love with Asher Howell for a long time. When she was sixteen, he became her hero, and she fell head over heels for the boy with a ring through his eyebrow, a big heart, and an unending sense of justice. But two years ago he left for college without a backward glance, leaving Grace to wonder if she'd imagined everything. With no reason to wait for Asher to return, Grace moved on, and Asher's brother, Adam, stepped in to help her pick up the pieces. But Asher never left her thoughts... or her heart. Now, two years later, tragedy brings Asher home and back into Grace's life. The boy who left her behind is now very much a man - a licensed tattoo artist, much to his parents' dismay, and still carrying a major torch for Grace. But two years apart has changed them both, and the things that happened during their separation may create a divide that can't be crossed. Asher and his brother both left their mark on Grace's heart.
