

## Bite My Fire (Biting Love Book 1)

At last, the perfect lover. Now what? Stake him, shoot him--or screw him? Biting Love Book 1. Elena O'Rourke lusts for two things--her detective's shield and a good lay. Sass-Cgals Bad Girl Sex Tips will win her the man. But keeping the shield hinges on solving a murder. Warrior-gorgeous Bo Strongwell stands in her way. Powerful as a Viking warship, Bo would be Elena's one-stop solution to celibacy--except for his apartment building full of mysteries. Plus, his kisses...and nibbles...and full body tongue-swipes...keep distracting her from the case. As if a caped clown named Dracula, a hooker with a heart of gold (and boobs of steel), and Elena's own clueless partner aren't distraction enough. Bo Strongwell is a master vampire who needs a cop snooping around like he needs a garlic enema. Fighting rogues keeps him busy enough without Elena trying to pin the murder on one of his kind...even if she does taste like heaven. Two fighters for justice. One incredible attraction. A terrible secret. Drunken women dancing on the bar... It all rides on Elena solving the Case of the Punctured Prick. Warning: Jammed with hot explicit sex, graphic fanged violence, and acid cop humor. May contain donuts.
