

Bane (The Devils Roses) (Volume 2)

Ari, this is Aimee James. Shes different, like you. The old lady smiled brightly. Until you get to know each other, I wouldnt go holding hands. Who knows whatll happen. Something powerful, dark, and dangerous lurks inside of young Ari. Shes the queen of self control and commitment, until suddenly she isnt. Ari finds herself transformed and alone in a dark alley in the north instead of the sunny south. Her soft black hair is shaved. Her face is marred with piercings and she has more tattoos than the cook back home. In fact she is a different Ari altogether. Different memories and a different past. And a death still warming her fingertips.
