It can cure you. Or it can kill you. The untamed Louisiana bayou is not for the faint of heart. But until now, Tara LeBlanc has always considered it a sanctuary, its lush foliage a source of medicinal healing. What evil has infiltrated her haven? Two elderly women she loves lie near death, and Tara knows their illnesses are no accident. Only one man can save Tara from the same fate: Sheriff Rene Bubba Theriot. The strong-willed lawman throws his all into protecting her, laying his heart on the line as well as his life. Now they both stand to lose it all as a killer gets ready to pounce.
