

Lost: A Contemporary Romance (The Desired Series Book 2)

Now steamier and newly edited, with new scenes added! From NY Times & USA Today Bestselling Author, Cali MacKay... All her life, Rowan Campbell has been desperate for answers about her father yet her mother refused to speak of him, even on her deathbed. Desperate to find the father she's never known, Rowan moves from the States to her mother's hometown in Scotland, determined to uncover her mother's secrets. When Angus Macleod agrees to help Rowan, a family friend, the last thing he expects is to fall hard for the fiery redhead, who makes him rethink his bachelor ways. Unable to shake her from his thoughts, he's happy to help her find her father. But when Angus discovers Rowan's mother left Scotland pregnant and terrified, he wonders if Rowan's quest for answers is putting her in danger. Before long, Angus finds himself hindering Rowan's search, despite knowing his actions could ruin any chance he has for happiness. But with Rowan closing in on her father's identity, will Angus be able to keep her from harm and will she ever forgive him for standing in her way? *** Though this is the second book in the Desired series it can easily stand on its own and does not end on a cliff hanger. This book was previously titled A Highland Home. ***
