

Matthew Kelly Live

Since late 1993, more than one million people have attended Matthew Kelly's talks, seminars, and retreats in forty-six countries around the world. With his keen sense of humor and heart-warming charm, Kelly seems to effortlessly elevate and energize people to pursue the highest values of the human spirit. Matthew Kelly Live is a collection of two talks recorded in Cincinnati, Ohio: the first in October of 1998 entitled, Leadership, Success, Christianity, and the Future, and the second in September of 1999 entitled, What Are You Doing? From amidst an age inordinately preoccupied with doing and having, Kelly's message rings out with a truth that is unmistakably attractive and challenging. What you become is infinitely more important than what you do, or what you have. Words cannot describe the enormity of this young man's gift. His ability to articulate matters of the soul is nothing short of a phenomenon. Time is Matthew Kelly's best friend. His message is both timely and timeless. His example is inspiring and necessary. His passion for life is assuring and challenging. Now just 22 years old, it is certain that he will continue to be, with increasing influence, one of the most sought-after and endearing Christian voices of our time. Hearing Matthew Kelly speak changed my life, is a compliment often paid to this young man. We hope these tapes offer you a life-changing perspective.
