

The Vanderlind Castle Trilogy: Call of the Vampire, Heart of the Vampire, Fate of the Vampire

This boxed set contains all three books of The Vanderlind Castle series. Book 1: Call of the Vampire Aurora Keys has dreamed of the Vanderlind Castle ever since she was a little girl. But the fiercely private Vanderlinds keep the massive structure strictly off limits to visitors. Until one night, the wealthy family throws a party not just a small soiree, but a huge black-tie affair. No one from the town of Tiburon, Ohio, is invited not even the mayor. But Aurora's best friend, Blossom, has a foolproof plan for the two of them to sneak in. At first, everything goes smoothly: the girls enter the castle undetected, and there is free champagne. But then the handsome Jessie Vanderlind sweeps Aurora into his arms, crushing her to his chest and whispering, I knew you'd come back to me.

Aurora understands it is a case of mistaken identity, but she feels connected to him somehow. And the boy is so beautiful, she believes she would be happy if he never let her go. Once Jessie realizes he is mistaken, his smile quickly changes to a scowl. You must leave, he tells her in a low, urgent voice. Immediately. Come! I'll find a way to get you out. Unbeknownst to Aurora and Blossom, they have snuck into the home of one of the most prestigious vampire families in the world, and it is doubtful the two young women will ever be allowed to leave. Aurora's resemblance to Jessie Vanderlind's lost love just may be the only thing keeping them alive. Book 2: Heart of the Vampire Aurora Keys is heartbroken, struggling to forget the beautiful and enigmatic Jessie Vanderlind, who has told her it is too dangerous for them to be together. And he may be right. Jessie is, after all, a vampire. But that doesn't make forgetting him any easier. Just as Aurora is starting to pull her shattered life back together, Jessie reappears at her window with a warning: there are many vampires who want to see her dead and him locked in a coffin for a

hundred years. Aurora and Jessie are accused of staking a vampire for the sake of a human and must fly to Budapest to plead their case in front of a vampire tribunal. Their only hope of survival is to convince the worlds oldest vampire family that they are desperately in love and have been for nearly 80 years. Book 3: Fate of the Vampire Just when Aurora and Jessie start to date like a normal couple, things go horribly wrong in the town of Tiburon, Ohio. People are disappearing, and Aurora knows its all her fault. She is, after all, in love with a vampire.

She is, after all, in love with a vampire. Fate of the Vampire is the final book in the Vanderlind Castle trilogy.
