

Covert Evidence (Evidence Series Book 5)

Falling in love was never part of his mission. With visions of professional glory, underwater archaeologist Cressida Porter embarks on a research trip deep into the heart of Eastern Turkey. Her dreams turn into nightmares when she becomes the unwitting courier for a terrorist network. Stranded and unable to speak the language, she turns to a handsome and enigmatic security specialist for help, even while fearing he may be behind a violent assault that leaves her vulnerable. CIA Case Officer Ian Boyds mission is clear: follow the courier, identify the terrorist leader, and intercept the microchip before it falls into enemy hands. For Ian, cozying up to the alluring archaeologist to find out where her loyalties lie isn't exactly hardship duty. But spending time with her proves dangerous when she awakens a longing for a life he can never have. Attraction wars with distrust as Cressida and Ian are forced on the run. When violence erupts in the already unstable region, Cressida discovers everything she knows about Ian is false. With all secrets revealed, Cressida must decide if she can trust the spy with her life, while Ian faces his own impossible choice: Cressida or his mission. With a believable plot, an exotic setting, a smart heroine and a sexy hero Rachel Grants Covert Evidence is the definition of fabulous Romantic Suspense. New York Times & USA Today Bestselling Author Toni Anderson
