

Only Desire

From the Amazon bestselling author of *By His Desire...* Lucy Barnaby is tired of being a good girl ... especially when her sexy housemate Keenan needles her about her lack of a sex life. When he flaunts his own partying ways once too often, Lucy decides to take action. She auditions at a Waikiki strip club and is shocked when she has the time of her life. Keenan Diaz is crazy in love with Lucy, but he'll never tell her. Even if she shared his feelings--and she's made it pretty clear that she doesn't--Lucy wasn't born and bred in Hawaii like him. She belongs on the mainland, and once she gets her graduate degree he's sure she'll go back. Then one night he finds out she's working at a strip club in Waikiki. When he sees her on stage, he knows he can't control his lust for her any longer. Lucy wants Keenan as much as he wants her. But can they give into their passion without giving away their hearts? *Only Desire* is a steamy romance novella of 20,000 words, or about 100 printed pages.
