

Brandon Mills Versus the V-Card (Prescott College Book 2)

Smart, shy Prescott sophomore Brandon Mills is working hard to overcome his troubled past and be normal. With the help of his friends Mark and Deacon, and his brothers at Phi Sigma Kappa, hes slowly coming out of his shell. But when he accidentally drenches a freshman in orange soda, he faces something hes not ready for: a boy crushing on him. Alex Kekoa pledges Phi Sig because it has everything he wants: a house full of nerds who wont tease him for being smart, a dog, and Brandon Mills. Brandon is just the type of guy Alex needs to help fulfill his college ambition: losing his virginity. Except Alex doesnt know that Brandon cant stand to touch or be touched. When Alex and Brandon are drafted onto the Phi Sig Academic Challenge team, their mutual attraction grows. If theres anyone who can help Brandon discover it feels good to touch and kiss, maybe its klutzy Alex with his cute glasses and his dinosaur obsession. But as the competition--and their relationship--heats up, Alexs determination not to die a virgin clashes with Brandons vow of lifelong celibacy, forcing them to examine whats truly important to each of them about love.
