

Inspection Authorization Test Prep: A Comprehensive Study Tool to Prepare for the FAA Inspection Authorization Knowledge Test (ASA Fast-Track)

With more than 350 sample questions all of which are based on previous testing experience this sourcebook is ideal for Aviation Maintenance Technicians seeking to add Inspection Authorization (IA) privileges to their license. As a closed test with the questions not being made known to the public applicants will utilize the comprehensive and effective sample questions, answers, and explanations to prepare for this difficult exam. The Federal Aviation Administration references from which the sample questions are derived are included for students wanting further study.
