

A Thousand Starry Nights (Burning Through Gravity) (Volume 2)

From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore: Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun! *can be read as a standalone!* Carter For as long as I can remember I have wanted Aspen as my wife. The day I lost her, I could hardly stand to breathe. I want her back in the worst way. I don't take losing very well. Aspen will be mine again. I need to have her. And I will. Aspen Carter is back in my life. Long ago, we flew so close to the sun we were scorched by the twisted labyrinth of our own making. And now, here he is again, front and center, as if nothing ever happened. I doubt Carter and I stand a chance. In fact, I believe we were doomed right from the start. Carter is driven to Aspen. Aspen is determined to stay away from Carter. When their hearts collide once again, their love burns brighter than A Thousand Starry Nights.
