

Burns So Bad (When SEALs Come Home Book 1)

Discover New York Times and USA Today bestselling author Anne Marsh's sexy SEALs series! ONE JUMP PUTS IT ALL ON THE LINE Former SEAL Rio Donovan is one hundred percent pure, sensual trouble. Home from the front lines, he has a new mission: fighting fire as a smoke jumper. He went back down from the flames or a dare and he loves putting it all on the line when he parachutes into the heart of a wildland fire. When the fire camp gets a much-needed new player, however, Rio lands in uncharted territory. The jump team's newest member is sexy, strong and female. She's supposed to be just one of the boys, but Rio burns to claim her one heated kiss at a time. This jump, Rio Donovan's putting it all on the line. Body and heart. INTO THE FIRE AND INTO LOVE Kissing a fellow smoke jumper would be career suicide and Gia Jackson has worked too hard and too long to earn her spot on the jump team to jeopardize it all now for a man. The love-em-and-leave-em boys of summer aren't her type and she's hiding a few secrets of her own, but, when her chute tangles with Rio's on a jump, he's thrown into her arms. Literally. She's held firm on the fireline for years but can she hold the line now against Rio's seductive charm? For more SEAL fire fighter romances, check out the When SEALs Come Home series!
