

Shifting Dreams (Cambio Springs Mysteries Book 1)

If Jena knew anything from growing up in a town full of shapeshifters, it was this: Everything changed. Somedays Jena Crowe just cant get a break. Work at her diner never ends, her two boys are bundles of energy, and shes pretty sure her oldest is about to shift into something furry or feathery. Added to that, changes seem to be coming to the tiny town of Cambio Springs, big changes that not everyone in the isolated town of shapeshifters is thrilled about. ? Caleb Gilbert was looking for change, and the quiet desert town seemed just the ticket for a more peaceful life. He never counted on violence finding him, nor could he have predicted just how crazy his new life would become. When murder rocks their small community, Caleb and Jena will have to work together. And when the new Chief of Police isnt put off by any of her usual defenses, Jena may be faced with the most frightening change of all: lowering the defenses around her carefully guarded heart. SHIFTING DREAMS is the first paranormal romance in the Cambio Springs Mysteries series by Elizabeth Hunter, author of the Elemental Mysteries.
