Magic. Knitting. Love. A new series and a delightful departure by the USA Today bestselling author of *Just Desserts*. Sugar Maple looks like any Vermont town, but it's inhabited with warlocks, sprites, vampires, witches and an ancient secret. And Chloe Hobbs, owner of Sticks & String, a popular knitting shop, has a big secret too. She's a sorcerer's daughter in search of Mr. Right and she's found him in Luke MacKenzie, a cop investigating Sugar Maple's very first murder. Bad news is he's 100% human, which could spell disaster for a normal future with a paranormal woman like her.
