

Celestial Girl, Book 3: The Celestial Kingdom (A Lily Modjeska Mystery) (The Lily Modjeska Mystery Miniserries)

Lily is not quite a typical woman in Toledo, Ohio, 1896. She may be repressed and dependent on her husband, but she supports the vote for women and has a mind of her own. When Johnny Pentland is found dead at a notorious brothel, Lily discovers her husband is not the man she thought he was. Pursued by Pentlands enemies, Lily embarks on a journey that will take her across the country to San Francisco and across the ocean to Imperial China as she unravels a web of murder and corruption reaching from the opium dens of Chinatown to the mansions of Nob Hill. Her journey becomes one of the heart when she crosses paths with Dr. Jackson Tremaine, a debonair, worldly-wise physician. Lily and Jackson begin a conflicted, passionate relationship as they encounter the mysterious Celestial Girl and her dangerous entourage. This volume includes Book 3 and Book 4. In Book 3, The Celestial Kingdom, Lily and Jackson journey to China, searching amid murderous slavers and soldiers of the Boxer Rebellion for the elusive identity of the Celestial Girl. In Book 4, Terminus, Lily and Jackson return from China to San Francisco and solve the tragic mystery of the Celestial Girl. From the author of The Garden of Abracadabra, Volume 1 of the Abracadabra Series, Summer of Love, A Time Travel (a Philip K.
