

## Fandango in the Apse!

If you grow up being likened to the Anti-Christ by a mother with as much warmth as an arctic glacier, it has to have some effect right? Shame, Katie Roberts didn't realise that before she married serial womaniser Eddie Roberts, before she embarked on a clandestine affair with a catholic priest and definitely before she gave her heart to gorgeous commitment phobe, Robbie Collins. If she had, then she might have been prepared when the past reared up to smack her squarely between the eyes. Now in the position of having to face up to the shambles she has made of her life, Katie formulates a plan, a perfectly ludicrous plan according to Alison, her best friend, but a plan nonetheless. Will it work? Katie hopes so. And Robbie? Well Robbies another matter altogether
