

## Circes Recruits: Gideon: A Multiple Partner Shifter Book

Meet the Circes and experience the thrill of sexy shapeshifters in multiple partner play. Circes bring the heat! Neither human nor animal, but something in between. And these Circes are hungry. When the government shut down the original Circe project, they ended the tampering of human genetics to create supersoldiers. Or so they thought. Not all the rogue scientists disappeared. Dr. Edwin Lang thinks he's perfected his new serum. With EL13, his Circes will be stronger, more cunning, and psychic. A new breed of mercenaries that will fund his cutting edge science. The problem is his test subjects aren't willing. Gideon has lost his best friends, and his humanity, thanks to the good doctor. And he was no Boy Scout to begin with. Hell do whatever it takes to bring the bastard down. He's strong, and he's hungry for revenge. With his pack of psychic beasts, he'll destroy Lang and his team. The government can't stop him. Neither can the first bunch of supersoldier Circes. Gideon is no Marine, just an ex-con who knows how to put the hurt on. He'll deal with claws and fangs, enhanced senses, and a feral attraction for his male and female partners. Because nothing will stop him from bringing the pain. NOTE: This book contains sexual content readers may find fascinating: group play, m/m/m, m/f, m+/f and more. Expect government conspiracies, underground fighters, genetic experiments, and Shifters unlike the kind you think you know. This book is not for the faint of heart. Enjoy!
