

Cold Moon Rising

The ache for home lives in all of us, a safe place where we can go as we are and not be questioned. Maya Angelou Selene is under attack yet again--this time by the federal government. Forced out of her self-imposed exile, Cari Gravier returns to a fearful town, a pack in chaos, and a decision shes put off as long as possible, one that may be the beginning of her life--or the end. Where do you go when home is no longer safe?
