Hidden among the remote hills of eighteenth-century England lives a powerful clan of shape-shifters who become the stuff of myths and legends. They are the drakonsupersensual creatures with the ability to Turn from human to smoke to dragon. Now a treacherous new enemy threatens to destroy their world of magic and glittering power. For centuries, they thought themselves alone at Darkfrith, but the arrival of a stunning letter from the Princess Maricara sent from the Carpathian Mountains of Transylvania suggests the existence of a lost tribe of drakon. It is a possibility that the Alpha lord, Kimber Langford, Earl of Chasen, cannot ignore. For whoever this unknown princess may be, shes dangerous enough to know about the drakons existenceand where to find them. That, as Kimber cant help but concede, gives her a decidedly deadly advantage. And, indeed, it wouldnt be long before Maricara breached the defenses of Darkfrith and the walls around Kimbers heart. But the mystery of the princesss real identity and the warning she has come to deliver, of a brutal serial killer targeting the drakon themselves, seem all but impossible to believe. Until the shadowed threat that stalks her arrives at Darkfrith, and Kimber and Maricara must stand together against the greatest enemy the drakon have ever facedan enemy who may or may not be one of their own. They have no choice but to yield to their passionate attraction for each other. But for two such very different drakon leaders, will an alliance of body and soul mean their salvation, their extinctionor both?From the Hardcover edition.
