

## Conquered: She Who Dares book two

Love is a war in which only the fearless may conquer. The loss of love is a test in survival. Love. Its such an understated word. It has the ability to grip you so hard you become completely consumed by it, and when it releases you, you find yourself on your knees. Lilly Parker has me on my knees and I cannot muster the will to stand.

Betrayal. Its all the worse when it comes from those we love. The pain, that much more intense. The loss, that much more heart breaking. I took a chance on Theodore Ellis and I lost. How hard is Theo willing to fight for the woman he loves? Can Lilly fight her demons, or will she push away the only man capable of facing them with her? Conquered is the emotional, gritty second part of Lilly and Theos story.

I was fortunate to have read an early copy of this book and it absolutely blew me .
