I often tell my writing clients that writing is more than just getting the words on paper; it's inspiring others to travel beyond the reading. And the same is true for you. Conquering your Goliaths isn't just about a powerful, feel good story, it's about taking your journey to the next level; the level of doing. In my workbook, hands-on growth experiences are offered; from writing experiences, to going out into the community, to opportunities for change through prayer and communion with God. The workbook can be used in one of three ways; (1) as a workbook to be read and applied alone, (2) in a class situation created by the individual as an opportunity to share, or (3) as a tool in an Idea Creation Workshop offered by Kathryn. In her 2 day workshop, Conquering your Goliaths Using the Five Stones, opportunities for growth give participants opportunities to learn, apply and share the skills they're taught.
