

## Sinful Liaisons (Cynfell Brothers Book 3)

Lust, gluttony, greed, sloth, wrath, envy and pride. The Cynfell brothers are the very embodiment of a sinful existence. But could the right woman change that? Greed! Its not every day a duchess comes across a naked man on the roadside. Its not every day a duchess takes said naked man home with her. But Evelyn Chesworth can hardly leave the poor man in nought but his skin on the dangerous road to London. Particularly when hes so attractive... Lord Pierce Cynfell is in a world of trouble. With his brother threatening to cut him off and his gambling debts increasing, his beautiful rescuer couldnt have come at a better time. He cant help but be attracted to the worldly, mature woman. So he certainly isnt going to say no when she offers to write off his debts in return for one thing--his body. However, it soon becomes clear more than his body is becoming involved. While everyone else might think hes only there for the money, the beautiful widow slowly draws him deeper until he wants to unlock every secret buried beneath those tight corsets. Evelyn might let Pierce beneath her corsets but shes determined it will be no more than that. She has loved and lost twice in her life and wont let that happen again. Meanwhile, she has too many other things to worry about--like the preservation of her sons land. When Pierce begins to show himself as more than a skilled lover, Evelyn has a choice--let herself be vulnerable again or send away the man who lights a fire in her body, heart and soul.
