

Gabriel [Marius Brothers 7] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, werewolves, HEA] Over six months. That's how long Gabriel has been waiting to claim his mate and Caven has been denied a physical relationship with the only man he wants. They've both pretty much lost what's left of their minds by now. Gabriel's hurt that Caven didn't tell him about his powers showing up and being broken, and Caven's wounded that Gabriel didn't care enough to see something was wrong with him. Not to mention what he's been seeing in his mate's head no person should have to. But when Caven finally gets answers to the questions plaguing him, can he turn to Gabriel for support, or will he decide some issues can't be overcome and walk away? Gabriel will stop at nothing to convince Caven he sees him as the man he fell in love with and not an annoying teenager he's stuck with for a mate. But will it be enough? Note: This book is written in first-person point of view. ** A Siren Erotic Romance
