

# Dance of Desire

She risked everything in one seductive dance ...Disguised as a veiled courtesan, Lady Rexana Villeaux dances for Fane Linford, the new High Sheriff of Warringham. Desperate to distract him while her servant steals the missive that condemns her brother as a traitor to the Crown, she entices Fane with all the passion in her soul--and he is tempted. A hero of the crusades, Fane has been granted an English bride by the king. Fane wants only one woman: the exquisite dancer. When he discovers she's actually a highborn lady, and that her rebellious brother is imprisoned in his dungeon, he will have no other wife but her. Rexana doesn't want to become the sheriff's bride, but it may be the only way to save her brother. Yet as she learns more about her brooding husband tormented by barbaric secrets, she finds it harder and harder to deny his love or their dance of desire.
