

Jewell and the Dapper Dan

Jewell and her dashing boyfriend Daniel are career criminals - one of the baddest duos to ever stomp the streets of Overbrook Meadows, Texas. Working with a band of thieves, Jewell and Daniel have amassed a small fortune. But their last job attracted more heat than loot. Its time to relocate. Before the gang disbands, Daniel convinces them to do one last job; a fifty million dollar diamond heist from one of the most secure airports in the country. The gang reluctantly approves his scheme, but they dont realize Daniel is also planning the ultimate betrayal.
