

Dead Again

Ten years ago, Sophie and Jack survived a small plane crash. They fell in love in the five days they were stranded on a mountainside, but Jack's injuries were ultimately fatal. Jack's love and death left indelible fingerprints on Sophie's soul and completely changed her life. Sophie is now a stressed single mom in a small Montana Rockies town, running a cafe and warding off the attention of the town's corrupt Chief of Police when a drifter called Martin arrives in Serenity Falls. Martin holds the key to Sophie's heart, along with a secret that will rip apart the town. He plunges her into after-shocks caused by the five days she spent with Jack in the mountains, stirring up state governors, district attorneys and one of the deadliest crime lords in the land. Martin's secret puts Sophie directly in their cross-hairs. For Sophie, life is about to change all over again... This is the Authors Edition of *Dead Again* - the novel was first released under the Cerridwen Press imprint by Elloras Cave. This second edition has been repackaged and released by the author, and includes extra front matter and a print edition. It is a full-length novel.
