Demon Chasers Protectors of humanity. Sworn to uphold the peace. Oath bound to keep the existence of demons a secret. Gray, a newly appointed Alpha and half blood demon wolf, can only turn during a full moon. With only three days before the next cycle, time is running out to convince the highest ranking female wolf to become his mate. Success will see him become a full blood. Failure will spell his death. It is only a matter of time before the challenges start coming in. Ashlyn, a hard ass Demon Chaser just happens to be human and the packs newest resident. She is there on Demon Control Agency business. Her attraction for the new Alpha cant be allowed to stand in her way, after all, Gray is already taken. More importantly, she has a serial killer to catch, and then she needs to get the heck out of wolfville. For both their sakes Please note this book has an actual page length of 100 pages - I write bite size stories my readers can sink their teeth into, so if youre feeling a little peckish you know what to do
