

Gabe: Scifi Alien Invasion Romance (Hell Squad Book 3)

Hell Squad soldier Gabe Jackson has lost everything that mattered, including his twin brother. Now he just wants to kill the invading aliens anyway he knows how...and he knows a lot of ways. Previously part of a secret Army super-soldier project, hes faster, stronger, deadlier...but on the inside, hes a mass of rage, and pain, and grief--all waiting for a chance to drag him under. Until he finds her. Dr. Emerson Green had her life planned: thrive in the high-stress environment of the ER, build her career, have a great life. Then the raptor alien invasion happened. Now shes the head of the medical team for the secret base sheltering human survivors outside of Sydney. Shes also in charge of patching up the soldiers who get too close to raptor claws. Shed never planned for this...and shed never planned for sexy, brooding Gabe Jackson. As Emerson uncovers clues to the aliens secret plans for the human race, she and Gabe collide in a storm of volatile passion. But the brooding soldier is as stubborn as he is silent, and Emerson knows she must convince him to reach out to her...because Gabe is a ticking time bomb about to go off. Note to readers: This sci fi romance contains a lot of action (think invading aliens, explosions and gunfights), tough warriors (the sexy, battle-hardened soldiers of Hell Squad) and a steamy romance (lots of sexy times between a brooding soldier and a smart doctor). So if you like it fast, and gritty, and sexy, this is for you! Includes preview of Book 4 of the Hell Squad, Reed. Q & A with the Author Q - How would you describe the Hell Squad series? A - Tough, alpha soldiers battling invading aliens. Hell Squad is science fiction romance with a dose of post-apocalyptic grit and a serve of military romance. There is lots of action, adventure and romance. But even in the middle of a fight for survival, the series is focused on hope, friends, family and love.

Hell Squad has been one of my bestselling series and I'm thrilled the Hell Squad gang have so many fans. Q - Why did you want to write the series? A - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. I also wanted to write something that was a little darker and grittier than my more adventure-filled series, the Phoenix Adventures. Then I had this image of a former society party girl wearing fatigues squaring off with a scarred, battle-hardened soldier and Hell Squad was born. I intended it to be a single story...but the Hell Squad soldiers had other ideas and literally came to life as I wrote the first book! Q - What order should I read the books in? A - All the Hell Squad books have stand-alone romances in them but the action arc of the invading aliens grows with each book. Many readers have entered the series with later books and they haven't been lost, but, characters from the early stories do appear in later books and I really think it adds something to the reading experience to read them in order. Here's the order I suggest:- Marcus- Cruz- Gabe- Reed- Roth- Noah- Shaw- Holmes- Niko- Finn(coming soon) About Anna: I'm passionate about all things action romance. I love stories that combine the thrill of falling in love with the excitement of action, danger and adventure. I write about people overcoming unbeatable odds and achieving seemingly impossible goals. I like to believe it's possible for all of us to do the same. The Hell Squad Series:- Science Fiction Romance- Action Adventure Romance- Post-apocalyptic Romance- Alien Invasion Romance- Futuristic Romance- Military Romance- Paranormal Romance
