

Devour Book 4

Devour is the final book in Lucia Jordan's Devour series, a seriously hot and provocative thriller by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Pediatric nurse, Maggie, fell in love with Thomas Ramsey only to have his secrets tear them apart. Maggie's driving need to find out who killed her parents almost 30 years ago has led her to investigate the mobsters that have been trying to kill her. Going it alone has her nerves on end and is making her wish that she could forgive Thomas. Thomas never stopped loving Maggie and his attempts at keeping her safe have only put his own life at risk. The two are soon thrown into a life or death situation that will require them to work together or neither will make it out alive. Will their love for each other help them pull together or will the secrets tear them both apart? This ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
