This is book 3 of the Navy SEALs Romance series. Each book can be read as a standalone or in any particular order. When his mom is injured in a car accident, Navy SEAL turned search-and-rescue expert Angel Ruiz races home to be with her. But what are the chances that her ICU nurse will be the very same person who turned her back on him years ago? Madison Ellis never got over losing her fiancé, even though she was the reason. When Angel got the sudden urge to join the military, she told him the truth - she wasn't cut out to be a soldier's wife. It had broken her heart, but she knew a clean break was better than a miserable lie. Now, with Angel no longer on active duty and standing right in front of her every single day, the real truth can come out: she never stopped loving him.
