

The Years Between-Jessie & Will (Sister Series, 1.5)

This is the sequel to The Other Sister and its highly recommended you read it prior to The Years Between. The five years between when Jessie and Will Hendricks get back together and when they have their daughter are unforgettable years that travel from one side of the country to the next, and deal with the issues that have for so long kept them separated. Their journey to get together has been anything but easy, but now they finally have the time and freedom to build a full and complete life together. The way they started, the life they lead in between, and the life they end up with, is a journey that tests the love they have found, and defines the love they are destined to share forever. ***Warning: This book contains profanity, sex, mild violence and mature content matter.
