

eBay 101: Selling on eBay For Part-time or Full-time Income

With today's rocky economy and unsteady job market, there's never been a better time to earn extra cash online. Hi, I'm Steve Weber, publisher of Kindle Buffet, a daily list of free and discounted Kindle books. You can get a free subscription at KindleBuffet.com. After you buy this book, head over to the Buffet and chow down! Access the world's biggest marketplace, right from your own home. You'll learn how to: Register at eBay and PayPal Start part-time and expand your income when you're ready Find great inventory at low prices Auction to the highest bidder or sell at fixed prices Identify niche markets for big profits Get tax deductions for your eBay home-based business Guard against scammers and rip-off artists Starting a business on eBay is perhaps your fastest route to the American Dream. The payoff can be high, and the barriers to entry are low. The world's most popular online marketplace, eBay has millions of registered buyers waiting to do business with you. For less than \$100 and very little risk, you can start an eBay venture with profit margins rivaling those of any business. Exactly how much money you earn depends mostly on how much effort you put into your new enterprise and how efficiently you operate it In this new eBay guide, you'll see:
