

Inner Guidance: Our Divine Birthright

In *Inner Guidance: Our Divine Birthright*, author Anne Archer Butcher takes you on an incredible journey of spiritual experience that may change your life. From a profound near-death experience to miracles in everyday life, Anne's stories show how you can transform your life with the wisdom of your own powerful inner guidance. She introduces the unique spiritual tool kit of Eckankar to conquer fears, resolve karmic ties, explore inner worlds, and tap into the inner wisdom that is each person's birthright. Do you have a sense that your life has a greater purpose? Have you wondered about the meaning of a dream? Or had inner nudges or feelings that later came true? This book will connect with your experiences. You will discover compelling ways to explore your inner life and get answers that satisfy your yearning for truth. Anne shares spellbinding stories of being rescued by dolphins from a shark attack at sea, cast out of her body in a near-death experience after a head-on collision, and prophetic dreams leading to key survival decisions for her and others. This popular book, now in its third printing, shows that there is a divine plan and presence always at work. It validates inner guidance for anyone of any background. This memoir and inspirational self-help book spans thirty years of miraculous encounters with the Divine. It follows the author from her early years as an inquisitive high-school teacher who discovers, along with her students, an inner library of age-old wisdom. It continues through marriage and motherhood to a dynamic life of service and, at every turn, engages the reader with enlightening and entertaining stories, insights, and practical keys for better living. Intriguing chapter titles include *Portal to an Inner Library*, *You Will Have a Child Before You Are Thirty: Inner Guidance and Prophecy*, *Resolving Karmic Connections from the Past*, *Miracles I Can Do In A Minute*, and

Spiritual Healing of Limited Beliefs. Each chapter begins with an illuminating quote from the writings of Sri Harold Klemp, the spiritual leader of Eckankar. They offer the opportunity for deeper contemplation and your personal application of spiritual principles. Discover how you, too, can transform your life through the wisdom of inner guidance.
