

Falling for Rayne: Book 1 in the Love and Flowers Trilogy

Garrett Murphy is used to rejection. As a child, he was rejected by his mother and as a man he was rejected by Jane Kendall. Going without love has turned Garrett into a man who doesn't trust in a woman's heart. So when he meets Rayne Nyman, she's too good to be true. She's beautiful, talented and sweet. She also happens to be a world-renowned pianist. He knows there's no way she'd ever want to stay in Fircrest with him when she could be living the life she was born to. Rayne is determined to prove him wrong and show him that love can be forever but when she comes under fire and her life is put in danger, she might not have the chance.
