

Fangs and a Wet Nose [Unmated at Midnight] (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, food play, sex toys, HEA] The worst thing for Darius to do when putting his life back together is to desire his sons best friend. Darius just wants everything to get back to normal and is looking forward to spending break with his son. The last thing he expects is the beauty raiding his fridge or sparks to fly. Skyler's young but he's slept with enough men to know exactly what he wants, and it's the dream man right in front of him. Except the older god of a vampire won't touch him no matter what he does! When a turn of events has them living together for the summer, Darius is going crazy with his teasing. But when he finally gives in to temptation, Skyler isn't the only one left with bite marks on him, and Darius is left brokenhearted. Will Skyler be able to keep his wet nose where he wants it, or did he just lose everything because of a mistake he didn't make? ** Siren Publishing
