

The Fetish Queen, Part Three: Cursed

In the final chapter in the daring, sexy Fetish Queen series, Lille finds the place she belongs for the first time in her life, but she can't escape the fear that her dark past will ruin everything. Unnerved by the sheer force of her desire for Max, Lille retreats into managing the Fetish Box, making sure that it's a success. The online documentary she stars in becomes more and more popular, bringing business to the store and danger to Lille. When she's nearly killed at Jobmans pub, Lille begins to believe that she might truly be cursed, bringing danger to all she loves. Does she run away again, giving up her new life in order to stay safe, or does she take a chance, possibly endangering them all? She doesn't want to leave. She's learning what it means to be a Fetish Queen, and it is love, not fear, that gives her strength. But what Max and her friends don't realize is that Lille is willing to do anything to save them all.
