

## Finding Bliss (Volume 1)

Clara One phone call was all it took. A voice on the answering machine, a man oblivious to what calling me would do, uprooted my entire existence. He revived old hurts, dug up past nightmares. He destroyed everything I built for myself. But I found bliss through Grey, in Grey. Grey I had no idea that making a simple phone call, one that devastated me because of the reasons behind it, would make me question my truths, my friendships, everything I held dear in my little town. Calling her was the best and worst decision I ever made, but it brought her to me, to Bliss. And I could never take that back. Finding Bliss is a story about redemption, love, and finding true, irrevocable bliss. Its about new beginnings and the heights attainable.
