

## Free Fall

Nina Foster had waited all her life for the man of her dreams. But she never dreamed that she would meet a man like Joseph Walker, who lived his life among the rich and famous in Hollywood. A chance meeting in a Seattle club turns Nina into a sexual slave, irresistibly pulled towards Joseph again and again as if against her will. She follows him to Los Angeles and discovers that the relationship is more than physical chemistry and starts to believe that he is her true love. But falling in love can be dangerous. Especially when she finds out Joseph has an ex-girlfriend who doesn't want to let him go. When things get out of control she wonders if she's willing to risk everything for the man she loves. Is she willing to live her life in a free fall? Always looking over her shoulder for the threat that might be behind her? Find out what happens in the suspenseful story of Nina and Joseph.

We'll explain exactly what is free fall, give some fun facts, and introduce you to our exciting free fall devices.
