

Irish Rebel (Irish Hearts Book 3)

AVAILABLE DIGITALLY FOR THE FIRST TIME Keeley Grant knows she's lived a privileged life and is keen to share her luck with others. Growing up on her parents world-renowned Royal Meadows farm in Maryland instilled in her a passion for horses - and a desire to teach children the joys of riding. When the wild but talented horse trainer Brian Donnelly arrives from Ireland to work at the stable, he only sees Keeley as the boss's daughter - a spoiled princess who never had to work hard for anything. But the more Brian learns about Keeley, the more he wants what he's never had before: a place to call home - and someone to cherish... Irish Rebel can be enjoyed as a gripping standalone. It is also the third book in the Irish Legacy trilogy, which begins with Irish Thoroughbred and continues with Irish Rose.
