

Chasing the Runaway Bride (a Donovan Brothers novel)

From cold feet to hot-blooded Former Marine and current rancher Cade Donovan left his hometown looking for a fresh start. But then Cade inherits the grocery store that his grandfather won from the ORiley family in a poker game more than thirty years ago. The same store that caused a bitter feud between the two families. And worse still, Cade has to return home to confront his past and share his inheritance with the enemy—the all-grown-up and sinfully tempting Piper ORiley. After ditching two fiances at the altar, Piper has a reputation for being the town's runaway bride. The irony is, Piper is woefully inexperienced when it comes to real, true physical attraction. And working with Cade is torture. The kind that can keep a girl up all night imagining naughty, delicious things. Things that Cade is more than happy to show her. It's all fun and sexy games until the truth of why Cade left town comes out.
